About CCDF and Geminus

What is CCDF?

The Child Care and Development Fund (CCDF) is a federal program that assists low-income families, families receiving temporary public assistance, and those transitioning from public assistance in obtaining childcare so they can work, attend training, or continue education. The purpose of the program is to increase the availability, affordability, and quality of childcare.

Why is Geminus servicing the Child Care and Development Fund?

Geminus believes in increasing Hoosiers' access to high-quality child care. We partner with community-based health care providers, social service organizations and early childhood education programs to help increase Hoosiers' access to high-quality care.
